## NOTICE

General information to students who are in the waiting list for admission in the Post Graduate course in Bengali (BENRS) is to contact the college office on 01.12.2022 within 2 pm with their original mark sheets of previously qualified examination. As few seats are vacant even after special drive effort by the parent University, we would allow the students as per merit positions to attend the class sessions so that they don't fall behind. Fees will be accepted only after getting approval from the concerned authorities. The college authority in no way will be liable if no further approval of filling up the vacant seats is received from the University end. The decision has been taken considering the loss of class hours for delayed admission of students waiting in the list.
