Instruction for the Investigator/s:

As per the R&D committee meeting (Date:22/08/2025), it is resolved that all the above-mentioned investigator/s should follow the following instructions for conducting the research program.

1. Research grant for the respective proposal will be allotted on an instalment basis. The first instalment will be released for six months to start the research program. The second instalment will be released after the review of the progress report.
2. At the end of the project, all investigators are required to publish in at least one peer-reviewed journal/book in addition to the Budhil Journal.
3. At the end of the project, all investigators are required to present their research findings through the students' seminars.
4. The tenure of the project is 01 (One) year which will counted from the date of receive of the first installment of the sanctioned grant.
