

RAMSADAY COLLEGE

DEPARTMENT OF PHYSICS

IN COLLABORATION WITH IQAC

IS ORGANIZING A ONE DAY WEBINAR

ON

**LEARNING MANAGEMENT SYSTEM-PARADIGM SHIFT IN
THE TEACHING PROCESS**

Speaker:

DR. TIRTHANKAR GHOSH

Assistant Professor

Department of Statistics

Visva-Bharati

Learning Management System (LMS) is a computer application used through web browsers which makes online teaching-learning process seamless and attractive. It creates an virtual campus which can be used for all kinds of academic discourses including live interactive classes, sharing study materials, conducting online (computerized) tests, processing assignments, communicating with teachers and students and many more. Teachers and students access it through individual user id and password for all the courses offered there. There are multiple options. However, keeping operational costs, recommendations of public regulators like UGC and community help aspect open-source LMS should be preferable. Deliberation will be on one such open-source application.
